Accessorise and personalise

The Roomster comes with a range of design features that allow your individuality to shine through. With Škoda Genuine Accessories you can adapt your car to precisely match your own sense of style. Our extensive selection includes accessories to emphasise the car's design, comfort, interior and more. For more information on the entire selection of Škoda Genuine Accessories, simply visit your authorised Škoda Dealer.

1. The **floor mats** not only make the car's interior more comfortable but also make it easier to keep clean.

2. Available for the front and rear windows, **slimline weather shields** allow you to drive along with the window slightly open and enjoy the fresh air whilst being protected from rain, insects and wind noise.

3. Give the interior of your Roomster that sporty look and feel with a **set of high quality stainless steel pedals**. Finished with rubber grips, they will ensure your feet will stay where they need to be **whilst** you are enjoying the drive.

4. The car **cooling box** has an internal capacity of 6 litres and can be connected to a 12V socket. It's sure to come in handy – especially on hot summer days.

Technical Specifications

Engine		1.6 16V/77 kW	1.9 TDI PD/77 kW
Engine type		Petrol engine, in-line, liquid cooling system, DOHC, transverse in front	Turbocharged diesel engine, in-line, liquid cooling system, high-pressure direct injection system, OHC, transverse in front
Cylinders/Displacement [cm ³]		4/1598	4/1896
Max. engine performance/revs	[kW at rpm]	77/5600	77/4000
Max. torque/revs	[Nm at rpm]	153/3800	240/1800
Fuel quality		Unleaded petrol min. RON 95	Diesel
Air pollution regulation			EU4
Performance/consumption			
Maximum speed	[km/h]	184 (179)	182
Acceleration 0–100 km/h	[s]	10.9 (12.5)	11.5
Fuel Consumption [ADR 81/01]* – combined	[l/100 km]	7.2 (7.7)	5.5
CO ₂ emissions *	[g/km]	172 (185)	145
Transmission			
Driven wheels		Front-wheel drive	Front-wheel drive
Clutch		Hydraulic single dry clutch disc with membrane spring, asbestos free (Hydrodynamic converter)	Hydraulic single dry clutch disc with membrane spring, asbestos free
Transmission		Manual 5-speed fully synchronised (Automatic petrol 6-speed, with Tiptronic manual gear change)	Manual 5-speed fully synchronised
Weights			
Tare Mass	[kg]	1270 (1305)	1355
Max. roof load	[kg]		75
Max. trailer load w/o brakes	[kg]		450
Max. trailer load with brakes	[kg]		900
Max. downball weight	[kg]		50
Body			
Body		5 door, two compartment, 5 seater	
Drag coefficient		0.33	
Chassis			
Front axle		'McPherson' suspension with lower triangular links and torsion stabiliser	
Rear axle		Compound link crank-axle	
Springs		Telescopic shock absorbers with coil springs, in the rear outside the springs	
Braking system		Hydraulic dual-diagonal circuit braking system vacuum assisted	
Brake – front		Disc brakes with inner cooling, with single/piston floating caliper	
Brake – rear		Drum brakes (Disc brakes with inner cooling, with single/piston floating caliper)	
Parking brake		Manual, on rear wheels	
Steering system		Direct rack and pinion steering with electrohydraulic power steering	
Wheels		6.0J x 15"	
Tyres		195/55 R15	
Liquids			
Tank capacity	[l]	55	

() Applies to automatic transmission variant only.

*Fuel consumption and CO₂ emission figures complying with Australian Design Rules (ADR 81/01). The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Comfort dimensions – rear (max/min)	[mm]	945/700
Headroom in front/rear	[mm]	1029/1009
Storage capacity**	[l]	450-530
Storage capacity with rear seats backrests down/removed	[l]	1555/1780

Standard Model Equipment

Safety
Six airbags – Dual front, front side and curtain airbags
Height adjustable front head rests
ESP – Electronic Stability Program (incl. ABS + EBD + ASR)
Headlight range control
Electronic engine immobiliser
Remote control locking system
Lasered vehicle identification number code on all windows except the windshield
Design
15" 'Avior' alloy wheels
Interior metallic finishing (gear shift knob, door handles, air vent surround)
Function and convenience
Climate control air conditioning
TPM – Tyre Pressure Monitoring (1.6/77kW Automatic only)
Multi-function trip computer
Power windows, front and rear
Electrically adjustable and heated door mirrors
Radio "Dance" 2 DIN with CD and MP3 player, auxiliary input socket 3.5 mm (8 loudspeakers)
Height adjustable driver's seat

** The capacity depends on the position of the backrests and rear seats.

Standard Model Equipment (continued)

Function and convenience (continued)

Storage package in the luggage compartment (incl. storage pockets, pocket hooks)

Cruise control

Armrest (front)

Tinted glass

Interior lighting with switch-off delay

Three-spoke steering wheel

Headlight buzzer

Central console with 12V outlet, cupholder and storage compartment

VarioFlex system (3 separate removable seats, rear)

12V-socket in luggage compartment

Lockable petrol tank cap

Luggage compartment lighting

Storage compartment for driver (under headlight switch)

Illuminated glove box

Storage compartment above glovebox

Storage bins in front side doors with 1.5-litre-bottle holders

Rear wiper with washer nozzle and interval switch

Optional Model Equipment (available at additional cost)

Options

Panoramic roof

Parking distance control (rear)

Alarm system

Roof rails

Metallic paint/Pearl effect paint (refer to page 26)

General Information & Services

All the help you need

OWNING A ŠKODA

Škoda New Vehicle Warranty

Every new Škoda passenger vehicle is covered by a 3-year unlimited kilometre manufacturer's warranty, which includes Škoda Assist (24 hour roadside assistance). Every new Škoda vehicle is also covered by a 3-year paintwork and 12-year anti-corrosion perforation warranty.

Škoda Assist – 24 Hour Roadside Assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Škoda warranty period. You will receive help in the event of a breakdown or accident and if required, your vehicle will be mobilised or transported to an Authorised Škoda Workshop. As a Škoda owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100kms away from home.

Škoda Service

Your Authorised Škoda Service Centre is part of Škoda's global Quality Management System, ensuring all dealers are certified to ISO 9001:2000 – an internationally recognised Quality Standard. Authorised Škoda Service Centres have factory trained Technicians equipped with the very latest diagnostic equipment, specialist tooling and Škoda Genuine Parts. An Authorised Škoda Service Centre undertakes work in accordance to factory specified guidelines and maintenance schedules.

Škoda Genuine Parts®

Škoda Genuine Parts® are designed for your vehicle and approved by Škoda, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, Škoda recommends the use of Škoda Genuine Parts®. Škoda Authorised Dealers offer a 2-year unlimited kilometre warranty on Genuine Parts from the date of purchase.

Škoda Finance*

Buying, borrowing or leasing, Škoda Finance will certainly make you think differently about financing and insuring your new Škoda. Committed to meeting the needs of Škoda drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. Our packages are personalised to suit your individual requirements. You design your plan so that it meets your budgeting needs and rest assured that there will be no surprises along the way. Speak to your local participating Authorised Škoda Dealer today to put together a financial solution that best suits your lifestyle.

GLOSSARY

Anti-lock Braking System (ABS)

When braking, sensors in each wheel measure the road speed. If one or more wheels start to lock, the ABS reduces brake pressure to those wheels. This prevents the wheels from locking during heavy or emergency braking and allows you to continue to steer the vehicle.

Anti-Slip Regulation (ASR)

ASR is a switchable traction control system that prevents the front wheels from spinning under acceleration. When a difference in driving wheel speed is detected (e.g. due to differences in road surfaces), the system automatically reduces engine torque accordingly.

Electronic Stabilisation Program (ESP)

The ESP is made up of the ABS and ASR traction control systems. Simply put, it helps ensure that the vehicle goes where you steer it – even in extreme driving conditions. By constantly comparing the actual movement of the vehicle with pre-determined values, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct a problem the very moment it arises. This prevents the vehicle from losing control when trying to avoid an accident, or from spinning off on a curve due to either understeer or oversteer.

Brake Assist

Brake Assist aids the driver during emergency braking by automatically increasing the brake pressure to a level exceeding the locking limit. The ABS is quickly brought into the operating range, thereby enabling maximum vehicle deceleration.

Electronic Brake-pressure Distribution (EBD)

This sophisticated system provides an electronic means of regulating the ratio of front to rear brake pressure. The system automatically varies the settings according to driving and load conditions to ensure each wheel is braked to the optimum extent.

* Škoda Finance, a trading name of Volkswagen Financial Services Australia Pty Ltd ABN 20 097 071 460

One of the most important goals of Škoda is the development and production of products that are as environmentally friendly as possible throughout their life cycle phases, placing principal emphasis on the selection of recyclable materials. Our Škoda cars are manufactured using progressive types of technology in modern production facilities that meet the strictest criteria. Anti-corrosive protection of the cars' painted parts is based exclusively on lead-free cathaphoresis (KTL) and water-soluble paints.

Our company strategy includes limiting fuel consumption and emissions. As a result, the engines of Škoda meet the current emission regulations. All products made by Škoda adhere to the laws and regulations concerning the protection of soil and water. As a result of these activities, Škoda cars meet technical, safety, quality and environmental requirements. Škoda contributes to the preservation of a clean environment and provides mobility and comfort to its customers.

The environmental logo expresses Škoda's awareness of responsibility for, and attempts at, the sustainable development of the company and a friendly approach to life and nature. For more information please visit www.skoda-auto.com

Škoda is distributed by Volkswagen Group Australia Pty Limited trading as Škoda Australia, The Lakes Business Park, 6 Lord Street, Botany, NSW 2019. ABN 14 093 117 876. Specifications are as planned at September 2008, for Model Year 2008 and are subject to change without notice or obligation. Cars and accessories shown may not depict Australian specifications. Fuel consumption figures according to Australian Design Rules (ADR) 81/01. All Škoda approved parts and accessories are warranted for 2 years/unlimited kilometres.
