0 – 100 km/h (seconds)	10.1	8.2	8.2	
Fuel consumption**	85TSI DSG	110TSI DSG	110TSI DSG	
Combined (L/100km)	5.4	5.6	5.2	
Urban (L/100km)	6.5	6.9	6.4	
Extra Urban (L/100km)	4.8	4.8	4.5	
CO ₂ emission (g/km)	123	126	118	

*The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

**Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures are meant for comparison amongst vehicles only.
