## Information on Remuneration

We receive commission from Allianz each time you buy a policy (excluding Queensland Compulsory Third Party Insurance) and may include renewals and some variations, which increase the premium payable. It is calculated as a percentage of the insurer's base premium (this is the premium less stamp duty, GST and other government taxes, charges and levies).

Where you have been referred to us by a third party, we may pay them a part of the commission we earn. Any such commission we pay to a referrer is at no extra cost to you. We pay our staff and representatives an annual salary for their services and they may also receive bonuses or other incentives and rewards based on their performance relating to sales of products and other business criteria. Where you have been provided with financial services by an employee who is an authorised representative, we may pay them all or part of our remuneration.

Our temporary contractors may receive a daily fee, which is payable for both providing financial services to you as well as other services for us.

From time to time, we may participate in sales incentive schemes and Allianz and or motor manufacturer/distributor or financial institutions may
