from \$49,990 driveaway*

Select 85
from \$59,990 driveaway*

130 Years Edition
from \$69,990 driveaway*

*Manufacturer's recommended driveaway price (MRDP) is an estimated price which includes the recommended retail price, 12 months private registration, 12 months compulsory third party insurance (CTP), an estimated dealer delivery charge, stamp duty, options entered during the configuration process, and other applicable statutory charges that may apply such as Luxury Car Tax (LCT) for private use vehicles above a certain thresholds. Driveaway price includes warranty extension to 7 years valued at between \$1,150 and \$1,670, model dependent. Actual prices and stock availability will vary between locations and dealers, and on-road costs will vary according to individual circumstances. Please contact your local ŠKODA Dealer to confirm your individual price and vehicle lead-time. While stocks last. Excludes other offers. ŠKODA Australia reserves the right to extend, withdraw or change all offers. ŠKODA Australia does not warrant the accuracy of any of this information as applicable to your particular circumstances and to the extent permitted by law is not liable for any claims or losses of any nature, including, but not limited to, damages, expenses, lost profits, punitive, special, indirect or consequential losses/damages caused by reliance on this information. Due to ongoing production disruptions caused by a global shortage of key vehicle components, delivery forecasts are highly volatile and subject to change. Contact your local ŠKODA Dealer to determine expected vehicle delivery timeframes.

PERFORMANCE			
0 – 100 km/h (seconds)*	8	6.6	6.6
*The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as vehicle load, environmental and road conditions.			
ENERGY CONSUMPTION (WLTP)**			
Range - City***	395	661 km	661 km
Range - Combined****	504	529 km	529 km
Energy Consumption Wh/km - Combined	158.6	165.6	165.6
**The stated electric vehicle range has been calculated in compliance with the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) regulation which sets out standard test conditions and procedures applicable to car manufacturers. The stated electric vehicle range is for the purposes of comparison amongst vehicles tested under the same technical procedures only. The real range for your electric vehicle will vary according to a number of different factors which include the route, weather conditions, vehicle load (occupants + luggage), battery age and condition, optional equipment (alloys, tyres, etc.), the use of peripheral energy consumption systems such as heating, air conditioning and heated seats, as well as your driving style.			
***WLTP City Range: Calculated on the basis of the vehicle's average performance during the "Low" and "Medium" phases of the WLTP test cycle which is intended to represent driving conditions exclusively in low and mid-speed urban and suburban conditions with frequent stopping and starting.			
****WLTP Combined Range: Calculated on the basis of the vehicle's average performance during all four phases of the WLTP test cycle, which is intended to represent city, rural and highway driving conditions.
