## Target Market Determination (TMD)

Effective Date: 5 October 2021

### About this document

This TMD applies to the **comprehensive cover** described in the Product Disclosure Statements listed in Appendix 1 (**PDSs**) that have been issued by Allianz Australia Insurance Limited ABN 15 000 122 850 AFS Licence No. 234708 (the **Issuer**).

The purpose of this TMD is to describe the class of customers for which the products described in the PDSs have been designed, having regard to the likely needs, objectives and financial situation of that class of customers. Examples used in this TMD are illustrative only, and are not intended to be exhaustive.

This TMD is not intended to provide any financial product advice, and does not consider any individual customer's personal needs, objectives or financial situation.

This TMD does not replace the terms and conditions, and disclosures made, in the PDSs. A customer should refer to the applicable PDS before making a decision about a product.

A customer may fall within the target market described in this TMD, but may not meet the Issuer's underwriting criteria on application.

For further information on the Issuer's approach to the distribution and development of products for appropriate target markets, go to <https://www.allianz.com.au>.
