Manufacturer's recommended driveaway price (MRDP) for new vehicles sold and delivered by 31/12/26. MRDP is an estimated price which includes the recommended retail price, 12 months private registration, 12 months compulsory third party insurance (CTP), an estimated dealer delivery charge, stamp duty, and other applicable statutory charges that may apply such as Luxury Car Tax (LCT) for private use vehicles above a certain thresholds. Actual prices and stock availability will vary between locations and dealers, and on-road costs will vary according to individual circumstances.

Please contact your local Škoda Dealer to confirm your individual price and vehicle lead-time. While stocks last. Excludes other offers. Škoda Australia reserves the right to extend, withdraw or change all offers. Škoda Australia does not warrant the accuracy of any of this information as applicable to your particular circumstances and to the extent permitted by law is not liable for any claims or losses of any nature, including, but not limited to, damages, expenses, lost profits, punitive, special, indirect or consequential losses/damages caused by reliance on this information.

*The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.
